Part I, Line 2 - Grantmakers Explanation For Monitoring Use of Funds Outside US

For all project partners we require the following:

- A yearly audit by a chartered accountant
- Periodic reports and photos
- Forms such as case histories, child left home report, progress report and applications for college scholarships.

We have regular monthly contact by phone, email and post. The home or its parent organization must have government sanctioned charitable status and be allowed to receive funds, such as FCRA status in India.

Beginning in 2010 World's Children contracted the services of a nonprofit in India called the Spandana Society to help us monitor, evaluate and communicate more effectively with the orphanages and hostels we support in India.

Scholarships: The 30 orphanages assisted by World's Children help us publicize the availability of scholarships. Another significant contributor to the scholarship process is a nursing school, the ETCM Hospital School of Nursing in Kolar, India. World's Children also supports the Sacred Heart College of Nursing in Dindigul, India.

Prevention of Child Trafficking Project is a three-year project started in April 2017 with the goal of making villages 100% safe for girls and women by creating community protection. Over this three-year period, the five-member staff educated 120,000 adults and children living in 211 villages, and 12,297 girls and boys in 80 school in this region of Telangana, India. Prevention can be created... how traffickers dupe women or simply snatch unwatched girls. The goal was to stop child trafficking in this targeted area, which has a total population of about 151,000 people. A congregation of Catholic nuns is facilitating this project. We have worked with them for several decades and we currently support five orphanages that they operate. The project is so successful, we decided to renew the funding for an additional three years, targeting three districts in Telangana, India with a total population of 393,629 living in both rural and urban areas. In 2020, World's Children provided \$10,007 for this important project.

Projects: World's Children also provided \$133,008 for special projects to improve the infrastructure at the orphanages we support. These projects positively affected the 804 sponsored children and over 2,600 unsponsored children living at these orphanages and enjoying the benefits of the projects and programs we support. These projects at various orphanages included: one new kitchen, one girls' dorm (still under construction), 110 beds for blind children, benches, desks, dining tables, 20 additional beds, 50 mattresses with bedding, computer equipment and projectors, toilets, a security guard room, a shed for water heater, solar powered lights, various remodeling and repairs, new roofs, windows and screens, additional clothing, a water tank, water buffalo, motor scooter, and sewing machines.
