

## **Double your donation through Employee Giving**

**Employee Giving Programs** can give you the chance to increase your giving power. Thousands of companies are stepping up to match donations made by their employees.

**You could double the impact of your gift** and help more children in need through a company match.

**This simple online search tool will identify most companies that match donations.** The tool also gives you access to the forms, guidelines, and instructions that you need to submit a matching gift through your employer.

**Free Search Tool:** <https://ww2.matchinggifts.com/search/unh>

**If you don't find your company with the search tool,** try these steps:

1. Contact your employer's HR department to see if they offer a matching gift program to increase your donation.
2. HR will point you in the right direction and let you know if you need to fill out any necessary forms and make you aware of any submission deadlines.
3. If your HR department needs information from World's Children, please contact us or provide our contact info directly to your company. Email: [info@worldschildren.org](mailto:info@worldschildren.org) Phone: 541-904-0789.

*Thanks so much for all the support you provide to the children.*
